

# Family Support Services

Family Support Services offers home-visiting and community-based programs that promote safe, stable, nurturing relationships and environments for children and their families.

Our family support team promotes positive parenting and relationships between parents and their children by providing evidence-based programs, strengths-based mentoring and coaching to help parents set goals, solve problems, and support their children. Our team also provides families with the resources they need to help remove barriers to learning, so children will have a better chance for academic success.
