

Impact on Children Seminar Workshops

Impact on Children Seminar Workshops meet the Pierce County Superior Court requirement for any child whose parents or custodians are involved in specific court proceedings. Our seminars provide educational workshops concerning the impact family restructuring has on a child.

Our 4-hour workshops offer tools to help ensure a child's emotional needs will not be overlooked during the legal processes and to encourage parents to agree on child-related matters.

Our Workshops Include:

- * Impact on Children: The Changing Family
- * Impact of Non-Parental Custody
