

# Family Support Services

Family Support Services offers home-visiting and community-based programs that promote safe, stable, nurturing relationships and environments for children and their families.

Our family support team promotes positive parenting and relationships between caregivers and their children by providing evidence-based programs, strengths-based mentoring and coaching, problem solving, and support for their children. Our team also provides families with the resources they need to help remove barriers to learning and development.

## Our Services Include:

- \* Home-visiting Programs
- \* Promoting First Relationships
- \* Community-based Care Coordination
- \* Relatives Raising Children
- \* Kinship Navigator Services
- \* Readiness to Learn
